digihaler®

PHIL

MyDigihaler is a free concierge service through PhilRx that provides your patients the lowest cost option and reliable access to Digihaler® inhalers.

What can PhilRx do for you?

Provide prior authorization form and verify approval with insurance

Offer patient support services

Prescribe with ease through EMR, no enrollment forms

How to fill a Digihaler inhaler prescription through PhilRx:

1. Send the Rx to PhilRx and let the patient know to expect a text within minutes

If you are having trouble locating PhilRx in the EMR:
- Search by phone number: 855.977.0975
- Search by NPI: 1487163598
- Search by NABP/NCPDP: 3685508
- Search by address: 150 E Campus View Blvd, Suite 210, Columbus OH 43235

You can also send an Rx via Phone or Fax:
- Phone: 855.977.0975 (option 1)
- Fax: 888.975.0603

To minimize callbacks, include:
- Patient phone number, chart notes, prior tried/failed and ICD-10 in the Rx note to pharmacist

2. Support prior authorization submission when required

PhilRx can help reduce some of the office administrative process by pre-filling the patient's demographic information and faxing you the CMM key to submit.

Prior Auth Submitted ✓

---

3. Review fax or email status of Digihaler prescriptions you have written

Status report includes successful dispenses, pending patient enrollment or payment, if prior authorization is required, etc.
